About El Nino Ventures Inc.

[El Nino Ventures Inc.](#) (“ELNOF” and the “Company”) (OTCQX: ELNOF; TSX.V: ELN) trades in Canada on TSX Venture Exchange under the symbol “ELN” and in the United States on OTCQX under the symbol “ELNOF”. El Nino Ventures is an exploration company, focused on exploring for zinc (Zn), lead (Pb), silver (Ag), and copper (Cu) in the Bathurst Mining Camp in New Brunswick, Canada. The Company and Xstrata Zinc entered into a Tri-partite Option agreement with Votorantim Metals Canada Inc. (Votorantim) whereby Votorantim, by incurring exploration expenditures of \$10 million over a period of 5 years can earn a 50% interest in the project. Votorantim may further elect to increase its interest to 70% by spending a further \$10 million over an additional two years. The second phase, a \$5 Million exploration program which includes a 10,000 metre drilling program that is underway.

In addition, the Company entered into a Participation Agreement with Votorantim on the Murray Brook Massive Sulphide/Polymetallic deposit, situated as well, within the Bathurst Mining Camp. (See press release dated January 20, 2011)

The company is currently concluding a minimum of 6650 meters of drilling, testing the Zinc-Silver-Gold deposit which is Bathurst fifth large massive sulphide deposit. (see press release dated August 30, 2011)

In the Democratic Republic of the Congo (DRC), the company is also planning an aggressive exploration program for 2012 at their Kasala Copper/Cobalt Project which will be subject to finalizing the Company’s current legal issues on the project.

El Nino's management is seeking to acquire additional base and precious metals projects on an international scale that meet our corporate objectives and will add to its already extensive project portfolio.

On behalf, of the shareholders and Board of Directors of El Nino Ventures, I would like thank you for your ongoing support.
