The foregoing is subject to regulatory approval.

About El Niño Ventures

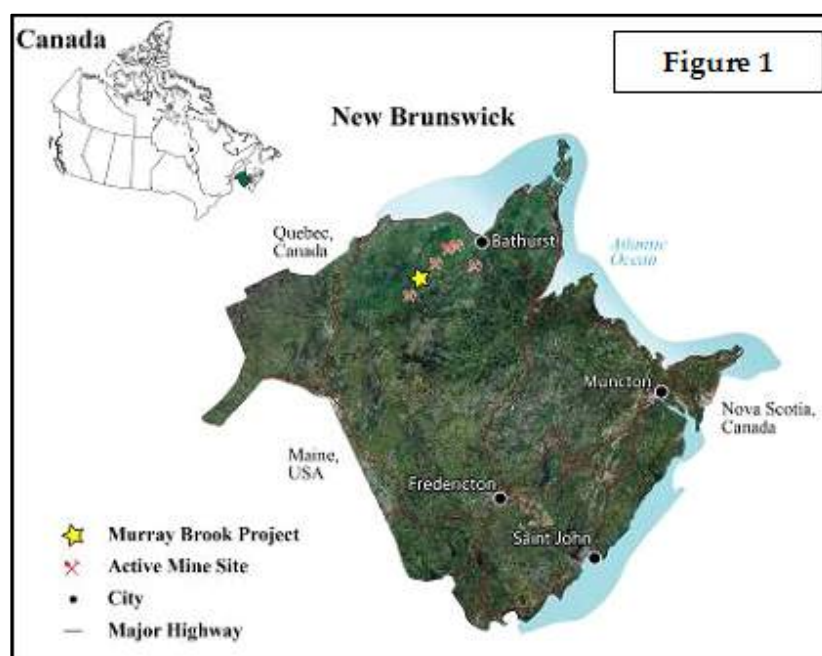

El Niño Ventures Inc. is an international exploration company, focused on exploring for Copper/Cobalt in the Democratic Republic of Congo ("DRC") and Lead, Zinc and Copper in New Brunswick, Canada.

In Canada, El Niño holds a 50% interest in an extensive base metal project located within the Bathurst mining camp in Bathurst, New Brunswick, where earlier drilling campaigns have been carried out on several historical deposits of lead, zinc and copper mineralization within the large claim block owned 50% ELN, 50% Xstrata Zinc.

El Niño subsequently entered into an option agreement with Votorantim Metals Canada Inc. and Xstrata Zinc Canada whereby Votorantim may earn a 50% interest in El Niño's landholdings by expending \$10 million over 5 years and may further increase its interest in El Niño's landholdings to 70% by expending an additional \$10 million over a further two years. (Please see release dated [May 4, 2010](#)).

In February 2011, ELN announced that a \$5 million exploration program has begun consisting of airborne and ground geophysics and will include a 10,000 metre drill program which is slated for commencement in the spring of 2011. (See press release dated [February 23, 2011](#)).

In January 2011, ELN announced that it has provided notice to Votorantim Metals Canada Inc. (Votorantim) to enter into an Option Agreement on the Murray Brook Massive Sulphide /Polymetallic Deposit, situated in the Bathurst Mining Camp in New

Brunswick, Canada. (See press release dated [January 20, 2011](#)). Drilling has been initiated on this project.

El Nino's management is aggressively seeking to acquire additional projects on an International scale that meet our corporate objectives. This includes base and precious metal properties within Africa and North America.

El Nino has approximately \$2.5 million in cash with no debt.

On behalf of the shareholders and board of directors of El Nino Ventures, I would like thank you for your ongoing support.
