
El Niño Ventures Appoints New Vice President of Business Development for the DRC

September 10, 2010 Vancouver, Canada – El Niño Ventures Inc. (“ELN” and the “Company”) (TSX.V: ELN; Frankfurt: E7Q) is pleased to announce that it has expanded its management team in the Democratic Republic of the Congo (DRC) to further advance its Kasala Copper Project in the DRC.

Mr. Luciano Bellet has been appointed as Vice President Business Development. Mr. Bellet is a mining engineer and has resided in the DRC for over 25 years and in South Africa for six years. His extensive experience in Corporate Management and Business Development within Africa confirms ELN's ongoing commitment to the DRC, more specifically our interests in the Kasala Project. In addition, Mr. Bellet has held senior positions with various companies in Africa, such as; Anglovaal Limited, Billiton Plc, AVMIN Ltd., Chambishi Metals Plc, and Kasonta Lupoto Mines.

About El Niño Ventures Inc.

El Niño Ventures Inc. is a mineral exploration company, focused on copper/cobalt exploration in the DRC. The Company holds a 50% interest in an extensive base metal project located within the Bathurst mining camp in Ontario, Canada. El Niño finalized its option agreement in April 2010 with Votorantim Metals Canada Inc. and Xstrata Zinc whereby Votorantim may earn a 50% interest in El Niño's landholdings by expending \$10 million over 5 years and may further increase its interest in El Niño's and Xstrata Zinc's landholdings to 70% by expending an additional \$10 million over a further two years.

On Behalf of the Board of Directors,

“Harry Barr”

Harry Barr, Chairman and CEO

Note: this release contains forward-looking statements that involve risks and uncertainties. These statements may differ materially from actual future events or results and are based on current expectations or beliefs. For this purpose, statements of historical fact may be deemed to be forward-looking statements. In addition, forward-looking statements include statements in which the Company uses words such as “continue”, “efforts”, “expect”, “believe”, “anticipate”, “confident”, “intend”, “strategy”, “plan”, “will”, “estimate”, “project”, “goal”, “target”, “prospects”, “optimistic” or similar expressions. These statements by their nature involve risks and uncertainties, and actual results may differ materially depending on a variety of important factors, including, among others, the Company's ability and continuation of efforts to timely and completely make available adequate current public information, additional or different regulatory and legal requirements and restrictions that may be imposed, and other factors as may be discussed in the documents filed by the Company on SEDAR (www.sedar.com), including the most recent reports that identify important risk factors that could cause actual results to differ from those contained in the forward-looking statements. The Company does not undertake any obligation to review or confirm analysts' expectations or estimates or to release publicly any revisions to any forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. Investors should not place undue reliance on forward-looking statements.
